Petition to Protect the Greenbelt

green
Party of Ontario

To Premier Doug Ford:

WHEREAS the Premier has persistently promised over the past 4 years not to develop the Greenbelt.
AND WHEREAS the Premier has plans to build the Highway 413 that would pave over 400 acres of the Greenbelt, including over 2,000 acres of Class 1 and Class 2 farmland.
AND WHEREAS the government now has plans to open up over 7,400 acres of the Greenbelt to pro-sprawl developers.

We the undersigned petition the Legislative Assembly of Ontario as follows:
To instruct the Ontario government to immediately commit to cancelling Highway 413, and immediately halt all plans to develop the Greenbelt, and to instead invest in livable and affordable communities connected by transit that protect the nature that protects us, the farmland that feeds us and mitigates climate pollution.
